ADDENDUM NUMBER 2

The attention of Bidders submitting qualifications and proposals for National Marine Life Center, Stranded Marine Animal Rehabilitation Facility Sea Water Make-Up in Bourne, Massachusetts is called to the following changes to the Bidding Documents dated 6/5/06 as prepared by Chermayeff & Poole, Inc., Boston, Massachusetts, The items set forth therein below, whether of revision, omission, addition, substitution or clarification are all to be included as changes to Information to Bidders, the Conditions of the Contract, Specifications and Drawings of the Contract.

The number of this Addendum (Nº. 02) and date issued (7/13/06) must be entered in the appropriate spaces provided on the Form for General Bid.

BIDDER QUALIFICATION REVIEW DECISIONS

The Owner has made the following decisions on pre-qualification.

Item 1.1 The Owner's decision on **Pre-qualification of Directional Drilling Subcontractors** is confirmed in this Addendum No. 2. The Owner has pre-qualified the following directional drilling subcontractors, without preference:

Hemlock Directional Boring, Torrington, CT (860) 482-7509

Henniker Directional Drilling, LLC, Henniker, NH (603) 428-6333

Item 1.2 The Owner's decision on Pre-qualification of **LSS Subcontractors**. After review of the pre-qualification submittals for this Project, the Owner has pre-qualified the following LSS subcontractors, without preference:

Methuen Construction Co., Inc., Salem, NH (restricted to Methuen Construction Co. as General Contractor)

Aquatic Environments, Woburn, MA

Item 1.3 Owner's decision on Pre-qualification of **General Contractors**. After review of the pre-qualification submittals for this Project, the Owner has pre-qualified the following general contractors, without preference:

Barbato Construction Co., Inc., Middleboro, MA 02346 (508) 946-9414

G Greene Construction Company, Inc., Boston, MA 02134 (617) 782-1100

Methuen Construction Co., Inc., Salem, NH 03079 (603) 328-2222

Pre-qualified **general contractors** (ONLY) are invited to team with a pre-qualified directional drilling subcontractor and pre-qualified LSS subcontractors to submit a bid to perform **all** the work.

Pre-qualified **drilling subcontractors** may join with more than one pre-qualified general contractor in submitting a bid.

Pre-qualified LSS subcontractors may join with more than one pre-qualified general contractor in submitting a bid.

NOTE: Although use of pre-qualified LSS subcontractor is desirable, the Owner has determined that, in light of the small number of pre-qualification statements submitted for the LSS work, pre-qualified

general contractors may include alternative subcontractors with appropriate piping, plumbing, and instrumentation experience.

As noted in the Invitation to Bid and the Bidding Documents, only bids from Pre-Qualified General Contractors will be received by the Owner. **No bids** will be received by the Owner from subcontractors.
