

Summer Education Schedule 2009

July 6, 2009 – September 4, 2009

Marine Animal Themed Games:

Monday & Friday 10 am (all ages are welcome)

Come play marine animal themed games. Fun for all ages!
Have you ever played Marine Animal Twister or Marine Animal Mystery?

Fins & Flippers:

Tuesday & Thursday 10am -12pm (all ages are welcome)

Storytime at 10am Arts and Crafts to immediately follow based on a theme for the week.

Themes:

July 7th and 9th: Sea Turtles

July 14th and 16th: Seals

July 21st and 23rd: Whales

July 28th and 30th: Dolphins

August 4th and 6th: Mermaids

August 11th and 13th: Sea Shells

August 18th and 20th: Sea Birds

August 25th and 27th: Sharks

September 1st and 3rd: Pirate Party!

Marine Animal Medical Mystery

Wednesday 10am (ages 8-12)

Come learn what it takes to be a marine animal care technician. What are some of the questions and “mysteries” that an animal care staff looks at everyday? Space is limited please reserve your spot by calling (508)743-9888 24 hours in advance.

Under the Microscope!

Tuesday & Thursday 2pm (all ages are welcome)

Come learn what Dr. Sea Rogers Williams, NMLC Science Director and Associate Veterinarian is looking at under his microscope. What could it be?

Seals, Turtles & Construction! Oh My!

Monday, Wednesday & Friday 2pm (all ages are welcome)

Come learn about current and past patients and our hospital construction project from the NMLC staff. Ask any and all questions that you would like!

Do-it-yourself Arts and Crafts

Saturday and Sunday 10am -5pm (all ages are welcome)

We will have Arts & Craft projects for you to make on your weekend trip to the National Marine Life Center!

There is a \$3 suggested donation for programs.
For questions please call or email Joanne at
(508)743-9888 X 302 or jnicholson@nmlc.org
