April Vacation Week 2014

Description of Programs

Little Flippers: Join us for a marine animal-themed story time and craft project! Different themes every day. All ages welcome; best suited for children ages 3-8. Children must be supervised. Program lasts 45-60 minutes.

Cost: Members \$3/child/program; Non-members \$5/child/program.

Marine Animal Medical Mystery: What does it take to be a marine animal care technician? What are some of the questions and “mysteries” involved in wildlife rehabilitation and research? Each day we'll learn how to care for a different animal. Best suited for ages 8-14. Space is limited to 15 children. Program lasts 45-60 minutes. Please reserve your spot by calling (508) 743-9888 at least 24 hours in advance.

Cost: Members \$3/child/program; Non-members \$5/child/program.

Patient Update: Learn the stories of the marine animal patients currently in our care from a member of our Animal Care Team. View our sea turtles via live TV and meet our small turtles in person. Program lasts approximately 15-20 minutes.

FREE, donations welcome. All donations help care for our marine wildlife patients.

Behind the Scenes Tour: Learn the stories of the marine animal patients currently in our care from a member of our Animal Care Team. Get a "Behind-The-Scenes" tour of our Clinic, our small turtle care area, and our marine animal hospital. Meet the marine animal patients currently in care. Program lasts approximately 20-30 minutes.

FREE, donations welcome. All donations help care for our marine wildlife patients.

Marine Life of the Cape Cod Canal: 2014 is the 100th anniversary of the Cape Cod Canal! The Canal has not only been important to human transportation and commerce, it has also been utilized by a variety of marine animal species. Through slides, discussion, and guest lecturers, learn about the whales, dolphins, seals, turtles, birds, and fish that traverse the Cape Cod Canal. Program lasts 45-60 minutes.

Suggested Donation: \$3/person members, \$5/person non-members.

SEAL TIDES Educational Comic Mystery Play: Presentations can be murder! Animal care tech Corinne teaches what to do if you find a stranded sea animal. Unfortunately, Jamie and Ruth keep hijacking her presentation....

The National Marine Life Center presents this production with support from the Bourne and Mid-Cape Cultural Councils, in partnership with the Massachusetts Cultural Council.

TICKET PRICES: Matinees \$5/person members, \$7/person non-members; Evening performances \$10/person members, \$15/person non-members.

Programs take place at National Marine Life Center, 120 Main Street, Buzzards Bay, MA, 02532
