

February Vacation 2015 Schedule

MARINE ANIMAL DISCOVERY CENTER OPEN

February 14-22, 10 a.m. - 5 p.m.

FOR THE LOVE OF TURTLES OPEN HOUSE!

Saturday, February 14, 10 a.m. - 2 p.m.

Join us for our February Open House! Explore the Discovery Center, make a marine animal valentine, make a marine animal craft, and enjoy games and refreshments. Tour our marine animal hospital and meet our 39 turtle patients. Education programs during the Open House are included with admission. COST: \$5/person, members FREE.

MONDAY-SATURDAY EDUCATION SCHEDULE (Open but no programming on Sundays)

11:00 A.M. ~ LITTLE FLIPPERS CLUB: Join us for a marine animal-themed story time and craft project! Different themes every day (see right). All ages welcome; most suitable for children ages 3-8. Children must be supervised. Program lasts 45-60 minutes. COST: Members \$3/child/program; Non-members \$5/child/program.

12:00 P.M. ~ PATIENT UPDATE: Learn the stories of the marine animal patients currently in our care from a member of our Animal Care Team. View our sea turtles via live TV and meet our small turtles in person. Program lasts approximately 15-20 minutes. FREE.

1:00 P.M. ~ MARINE ANIMAL MEDICAL MYSTERY: What does it take to be a marine animal care technician? What are some of the questions and "mysteries" involved in wildlife rehabilitation? Each day we'll learn how to care for a different animal. Best suited for ages 8-14. Space is limited to 15 children. Please reserve your spot by calling (508) 743-9888 at least 24 hours in advance. Program lasts approximately 60 minutes. COST: Members \$3/child/program; Non-members \$5/child/program.

2:00 P.M. ~ PATIENT UPDATE: Learn the stories of the marine animal patients currently in our care from a member of our Animal Care Team. View our sea turtles via live TV and meet our small turtles in person. Program lasts approximately 15-20 minutes. FREE.

3:00 P.M. ~ ENDANGERED SPECIES EXPLORATION: How do animals become endangered? What are some of the endangered species that live in the ocean? How can we help? Through a combination of slides, video, specimen exploration, and hands-on activities, learn more about endangered animals. Best suited for ages 10-16. Program lasts 45-60 minutes. Program will be offered Monday through Thursday only. COST: Members \$3/child/program; Non-members \$5/child/program.

4:00 P.M. ~ PATIENT UPDATE: Learn the stories of the marine animal patients currently in our care from a member of our Animal Care Team. View our sea turtles via live TV and meet our small turtles in person. Program lasts approximately 15-20 minutes. FREE.
