

SUMMER DAY PROGRAMS 2020

Learners and explorers ages 5-17 will have the "BEST SUMMER EVER" making new friends, getting outdoors to explore our coastal ecosystem, engaging in activities and games, and exploring the ways in which we can help care for the ocean and the animals that live there! Dive into the world of marine animal biology and conservation as you spend time getting to know your favorite seafaring species and enjoy exciting adventures indoors and outdoors. There is something for everyone at National Marine Life Center's Summer Day Program!

OFFERING HALF-DAY, FULL-DAY, AND WEEK-LONG PROGRAMS

Half-Day Programs

Adaptation Adventures Grades: K-2nd

Get your fins & flippers wet as we explore what makes marine animals special! Find out how seals survive the cold and how shells help different creatures big and small. Explore adaptations through stories, crafts, games, and hands-on learning experiences! Best suited for children ages 5-7 and entering grades K-2.

- Session 1: June 29, 2020 9:00am-11:30am Turtles
- Session 2: June 29, 2020 12:30pm-3:00pm Seals
- Session 3: August 17, 2020 9:00am-11:30am Turtles
- Session 4: August 17, 2020 12:30pm-3:00pm Seals

\$25/Members, \$30/Non-Members

One-Day Programs

Mission Save the Seas

Grades: 3rd-7th

Discover the marine animals that need our help and learn how we can protect our blue planet! Investigate tide-pools in the morning and study seals, turtles, whales, or sharks in the afternoon! Create something beautiful from a beach clean-up, transform into a marine animal veterinarian, and explore how scientists and kids just like you are saving the seas! Best suited for children ages 8-12 or entering grades 3-7.

Session 1: July 1, 2020	9:00am-3:00pm Seals
Session 2: July 2, 2020	9:00am-3:00pm Turtles
Session 3: July 3, 2020	9:00am-3:00pm Whales
Session 4: August 19, 2020	9:00am-3:00pm Seals
Session 5: August 20, 2020	9:00am-3:00pm Turtles
Session 6: August 21, 2020	9:00am-3:00pm Sharks

\$40/Members, \$50/Non-Members

Mission Animal Care

Grades: 8th-12th

Ready to explore a day in the life of a marine animal care taker? Join our team of veterinarians for morning rounds as they discuss current patients and treatment plans. Design an enrichment device for our animals and make one of their favorites, a fishcicle! Assist our team with preparing lunch for the animals and check out our life support system! Learn and practice restraining and feeding with our plush training seal and sea turtle! Best suited for teens ages 12-17 or entering grades 8-12.

Session 1: June 30, 2020	8:15am-3:00pm
Session 2: August 18, 2020	8:15am-3:00pm

\$60/Members, \$70/Non-members

Week-Long Programs

Ocean Explorers

Grades: 3rd-5th

Dive into the world of ocean exploration and discover the world beneath the waves. Spend your week investigating marine life and how all living things play a role in an ecosystem! From seals to sea turtles and whales to whelks, get up close with marine creatures in a tidal habitat, our marine animal hospital, and during lots of exciting activities, games, crafts, and more! Best suited for children ages 8-10 or entering grades 3-5.

Session 1: July 13-17, 2020 9:00am-3:00pm

Session 2: August 3-7, 2020 9:00am-3:00pm

\$199/Members, \$250/Non-members

Mini-Marine Biologists

Grades: 6th-8th

We know more about the surface of the moon than we do the ocean floor! Hands-on investigations inside and outdoors will have you exploring the tide pool ecosystem, the marine food web, ocean animal natural history, and much more! Create connections to conservation, critters, and careers with games, science, and adventure! Best suited for children ages 11-13 or entering grades 6-8.

Session 1: July 20-24, 2020 9:00am-3:00pm

Session 2: August 10-14, 2020 9:00am-3:00pm

\$199/Members, \$250/Non-members

Animal Care Adventure

Grades: 8th-12th

An intensive week of animal appreciation and career exploration for those who wonder about wildlife! Study animal behavior, design enrichment, discover veterinary diagnostics, understand conservation & climate change, read radiographs, and practice restraining and feeding with our plush training animals! From meeting our veterinary team to helping prepare the feeds for patients, it's a hands-on week you won't forget with some seriously FUN science!

Session 1: July 27-31, 2020 9:00am-3:00pm

Note: Tuesday 8:15am-3:00pm

\$250/Members, \$300/Non-members

Costs

Week-Long Programs

Ocean Explorers \$199/Members, \$250/Non-members

Mini Marine Biologists \$199/Members, \$250/Non-members

Animal Care Adventure \$250/Members, \$300/Non-members

A non-refundable deposit of \$25 is due at registration. This deposit is applied to your day program tuition. **All tuition is due at least 10 business days prior to the start of your program** or your spot may be forfeited. **Cancellations** must be made at least 10 business days prior to the start of your program for a full refund - less the non-refundable deposit. Refunds for cancellations made less than 10 business days prior to the start of your program will be at the discretion of NMLC staff.

All programs require a **minimum of 5 participants** in order to run. You will be notified 10 business days prior to the starting date of your program if there is a chance of your program closing and we will work with you to switch the participant into another program. National Marine Life Center reserves the right to cancel any program due to low registration or severe inclement weather, with a full refund for any registered participant.

Details

Registration:

By mail or in person: Complete registration form and return to....

NMLC

P.O. Box 269, 120 Main Street

Buzzards Bay, 02532

By phone: 508-743-9888

By fax: 508-759-5477

Online: www.nmlc.org

Additional Notes:

~ Programs take place at NMLC, 120 Main Street, Buzzards Bay, MA.

~ There will be limited exposure to live seals, sea turtles, or local turtles, depending on the number and condition of our animal patients.

~ Students may spend part of each day outdoors and should come prepared with appropriate clothing including layers, a change of clothes, water shoes, and sunscreen.

~ Students must bring their own lunch. Snacks and water provided.

~ **Parents will receive an email sent to the provided address with additional details for the program (what to bring, weather updates, allergen awareness, syllabus, etc.) 1 week prior to their program.**

SUMMER DAY PROGRAM 2020

REFUND POLICY

A non-refundable deposit of \$25 is due at registration. This deposit is applied to your day program tuition.

All tuition is due at least 10 business days prior to the start of your program or your spot may be forfeited.

Cancellations must be made at least 10 business days prior to the start of your program for a full refund - less the non-refundable deposit. Refunds for cancellations made less than 10 business days prior to the start of your program will be at the discretion of NMLC staff.

All programs require a **minimum of 5 participants** in order to run. You will be notified 10 business days prior to the starting date of your program if there is a chance of your program closing and we will work with you to switch the participant into another program.

National Marine Life Center reserves the right to cancel any program due to low registration or severe inclement weather with a full refund for any registered participant.
