Kemp's Ridley Sea Turtle

NMLC-2020-002-LK

Animal Care Technician Name: _____

DATE: _____	Number of Pieces of Squid	Grams of Squid
SqH = Squid heads = 20 g		
SqR = Squid rings = 10 g		
SqT = Squid tails = 10g		
TOTAL		

Report Back to the Veterinarian:

1. Who ate more pieces of food?
2. Who ate more grams of food?
3. The loggerhead needs to eat 200 grams of food. Did he get enough to eat?
4. If not, how much more food should we feed him?
5. The Kemp's ridley needs to eat 120 grams of food. Did she get enough to eat?
6. If not, how much more food should we feed her?
7. What do you think impacts the amount of food sea turtles eat during rehabilitation?
